

## **Holy Rosary School Advisory Council Meeting: February 3, 2026**

Fr. Hoffmann, Ricky Brandt, Nancy Shively, Claire Smith, Whitney Bichsel, Kaleb Thompson

Opening Prayer: Fr. Hoffman

Call to Order: Ricky Brandt

Reading of Minutes: Claire Smith

### **Unfinished Business:**

Preschool - For next year we have 10 students for sure, probably 11, and maybe more for our regular preschool class. For the 3 year old class, we have 6 on the list but only 3 for sure so we do not have enough to move forward. New idea from Nancy - open the school 1-2 days a week for social opportunities for 3 year olds? Nancy has someone interested in leading this. Donna Long may be done with her program.

ACRE testing - 5th-8th grade students are doing these religious tests this week.

Marketing - Nancy is trying to gather videos, pictures, etc for Savannah.

### **Pastor Comments:**

Family Faith Night with Dr. Vader - We reviewed topics for Dr. Vader to touch on this night. This is scheduled for March 18th.

### **Principal Comments:**

Catholic Schools Week review - It was a short but excellent week!

Lucky Hearts - We are ahead with sales right now, but still have a long way to go. The goal is 300.

Scholar Bowl - We had quiz bowl here and it went very well. 7th grade goes to another quiz bowl on Friday in Jefferson City.

Self Study - Mrs. Shively will be gone February 24th-26th. In 2 years, we will be doing a self study here at Holy Rosary.

### **New Business:**

Teachers retiring - Julie Hays is retiring. Mrs. Shively has already had a interview for the position and she would like to hire her. Her name is Sydney Price. Our fourth grade teacher, Mrs. Thompson, is also retiring so we will need to fill that position as well.

Teaching contracts - These will be coming out on March 1st. Everyone is coming back except the 2 mentioned above.

Calendar for next year - Mrs. Shively is still waiting on the public school's schedule and then she will finalize it.

Teacher Salaries - We reviewed potential teacher salaries for next school year.

Next Meeting: April 7th, 2026 at 5:30
